Good afternoon Christine & Ray,

1. I am writing to confirm that you received the email I sent you last night (around 10:30pm). Did you receive the email? If so,
2. Will you be sending me an amended contract for signature today to reflect the change from a 90- day severance agreement to a 6-month, 180-day (bi-weekly) severance contract in exchange for the relinquishment of my rights to file an official discrimination case with EEOC and to pursue litigation both singularly and with a group?
3. What are the next steps?

Thank you in advance for your prompt response.
